## APPLICATION FOR RESIDENCY

Hosea House is about the restoration of lives through Christ - no matter the issues that keep women bound. The home is for adult women with or without young children who may not have sufficient family support, life skills or fortitude to provide for themselves or their child: physically, emotionally or spiritually.

The ministry will provide a supervised, disciplined and loving home for twelve months to two years. Residents will develop mothering and home care skills, employment preparation, relationship skills, receive Christian mentoring and ministerial counseling, intensive Bible studies, prayer and have time to nurture and bond with their children.

Hosea House is a Christian ministry but excludes no one from residency based on religion or beliefs. Explain your basic beliefs at this time in your life:

Hosea House is not a temporary shelter. It is a life-changing experience for those who are willing to work on their recovery for at least one year. If your application is favorable, you will have an extended interview with the Director. You will receive a copy of the Residency Rules and discuss them with the Director. Any serious medical conditions may exclude you from residency. A health assessment will be made by the County Health Department, or Community Health Care Clinic within the first few weeks of residency. If you are a registered sex offender, residency will be denied/terminated.

There is an entrance fee, which will be discussed at the interview.

All information acquired on this form is confidential. Any false or misleading statements on this form or in the interview may be grounds for exclusion from residency.
